Test Plan

-Check to see if all Navlinks are clickable and navigate to where they are supposed to in a new element.

-Check to see if all links are clickable, and preform appropriate functions.

-Does game run that way it is supposed to. Do scores log correctly.

+ Add a card

Appealingness Test

Do lines overlap? Does our pagee populate content properly, Does the desired outcome happen?

-Home Screen Check- readability, easiness of use, appealingness.

-Are alignment, sizes and color all proper and uniform.

+ Add a card

Bug Report

-See All Bots btn click, but does not take you to the desired place where all bots can be seen.

-During end of match cards sizes change.

-Wins are not stored, all games are marked as loses.

+ Add a card

+ Add another list
